

Where do we collect
the
data from?

**OK, those are some of
the known data.**

**What about the New
Chemical Entities
(NCEs)?**

The NEQUIMED/IQSC/USP
Number: 11,328

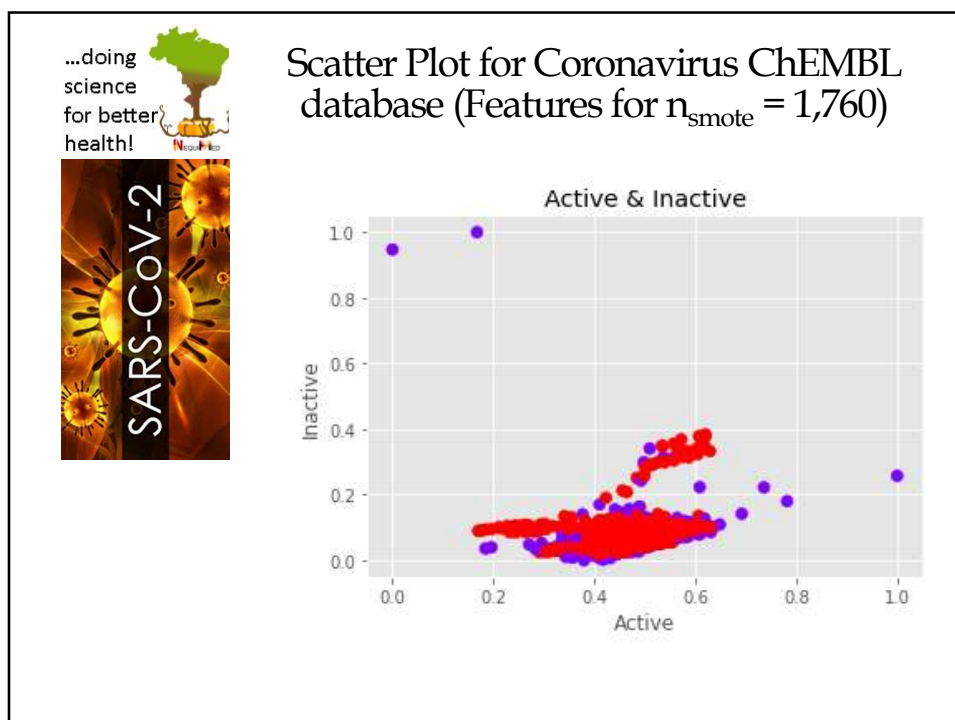

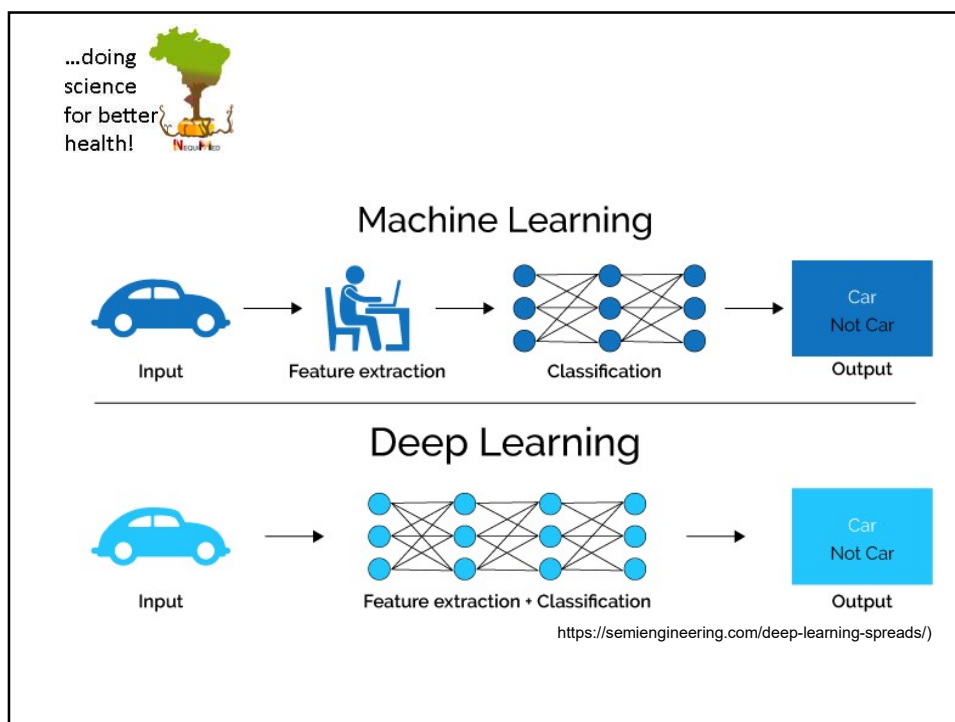

11,328 x 6 warheads =
67,968

The NEQUIMED/IQSC/USP
Number: 11,328

To how many can we go
for?

...doing
science
for better
health!
